The following list of organizations and groups has been compiled solely as a reference source for the Bureau of Victim Assistance (BOVA). This listing is not intended to be a comprehensive reference source. The BOVA updates this list periodically. If you require updated listings of these organizations or know of additional victim service providers you feel should be included, please contact the BOVA.

As Attorney General, I am dedicated to serving the needs of crime victims and their families. We have restructured our Bureau of Victim Assistance to provide a more personalized approach to victim advocacy. Each of our advocates is assigned to a geographic region of the State, where they work with law enforcement, courts, shelters, and other service providers to assist victims with resources and support. We also administer the Crime Victims' Compensation Program, which provides financial assistance to victims of crime. Compensation may be available for a wide variety of services including counseling, crime scene cleanup, domestic violence relocation and temporary housing, medical and dental expenses, lost wages, and more. My team is dedicated to helping applicants navigate their application and processing applications as expeditiously as possible.

If you move away from your home due to domestic violence, sexual abuse or stalking, we also offer the Address Confidentiality Program, which allows qualified participants to obtain a substitute address for receiving mail, obtaining a Mississippi driver's license, or enrolling children in school.

For questions or more information about any of the Bureau of Victim Assistance programs, please visit [AttorneyGeneralLynnFitch.com](http://AttorneyGeneralLynnFitch.com).

There, you will also find this Statewide Victim Services Resource Directory, created by the victim advocates in my office. You will also find crime victim services by county, as well as statewide services and national hotline numbers. I sincerely hope this directory will help you locate the resources you need to recover from victimization with peace and dignity.
