ATTORNEY GENERAL LYNN FITCH

September 28, 2023

A Note from AG Lynn Fitch

Next week, we will be unveiling the Mississippi Access to Maternal Assistance program, also known as MAMA.

A key component of The Empowerment Project agenda, MAMA is a website that makes it easy for mothers to quickly find and access the countless public and private resources available to them and their families, including health care services, infant essentials, parenting classes, financial assistance, food, shelter, legal aid, jobs, education and childcare.

If you know of a program or organization that serves women and their families in Mississippi that you believe may be a good fit for this website, we want to hear from you! Please reach out to us at mama@ago.ms.gov.

And if your organization or agency is here in Mississippi and can help us reach the mothers who need MAMA, please click [here](#) to order brochures and materials to share.

May God Bless You,

“The first Baby Box in Mississippi was made available 24/7 to serve women in crisis with the blessing on Wednesday morning at the Long Beach Central Fire Station. The Baby Box is featured on the south end of the building and allows for the complete anonymous surrender of an infant under Mississippi’s Safe Haven Law. The Long Beach Baby Box is the 158th location in the nation. This year has seen an uptick in surrenders via Baby Box with 14 so far.”
