

The Empowerment Project

ATTORNEY GENERAL LYNN FITCH

December 23, 2024

A Note from AG Lynn Fitch

Last month, I was honored to join Moms for America and be recognized with the Mothers of Influence Award for the work we are doing in Mississippi to ensure that women and families have the tools, resources, and support necessary to drive meaningful change in their communities. Through initiatives like The Empowerment Project, we are equipping families everywhere with the knowledge they need to thrive. This award is a reflection of a collective effort that includes so many partners, including you. I have been proud to stand with you in the fight to get here. Thank you for your support this year as we continue to build the framework for the life movement. Together, we will ensure that every mother, child, and family has the opportunity to flourish.
